STATEMENT OF NON-DISCRIMINATION

Wade Gordon Hairdressing Academy does not discriminate based on race, color, national origin, ethnic origin, ethnicity, religion, sex, age, disability, familial status, or any other classification protected by federal, state or local law. Non-discrimination policy applies to all its operations including admissions, instruction, and graduation policies.

HEALTH AND SAFETY

Within the fields of cosmetology and barbering, there is exposure to certain product ingredients, sharp implements and equipment that if used improperly, because of caustic reaction, sharpness or extreme temperature, may be considered a safety or health hazard. All programs provide instruction for the proper handling, usage and disposal of chemicals and use of mechanical and electronic equipment. Wade Gordon Hairdressing Academy complies with the state OSHA standards.

PHYSICAL DEMANDS

Prospective students should be aware of the physical demands of a cosmetologist and barbers. Cosmetologist and barbers occupations generally require continued standing and constant use of the upper torso, shoulders, arms, wrist and hands, upper back and neck. Certain individuals may have allergies and sensitivity to chemical products used in the profession. A student must be physically capable of performing all required activities conducted at the school. Standing for prolonged periods of time is a necessity for beauty and health education at Wade Gordon Hairdressing Academy.

ORIENTATION CLASS

Orientation classes are held on or before the first day of classes. The student would have physically visited and reviewed the school facilities and have signed an enrollment contract for the course of study with the institution. This orientation is to welcome new students and introduce them to the school's policies and procedures. During orientation, many topics are discussed, including: school rules, regulations, state board exams, grading, attendance, theory classes, clinic floor work, satisfactory progress, and project completions. Students will also be given the opportunity to meet instructors, school staff, and other students to ask questions about their training programs.

"THE CLASSICS"

"The Classics" curriculum for each of the courses requires a number of hours of classroom lecture, theory, demonstration, and student practice. In "The Classics", the student will learn all the fundamental techniques for his/her future career. The hours spent in "The Classics" room class are approximately 200-250 hours for the cosmetology and/or barber course. Wade Gordon Hairdressing Academy considers "The Classics" classes to be the foundation for the individual student's learning process. An instructor will evaluate students before going to the next level. After "The Classics" are completed, we will introduce the basics of those areas that the student will need to know to pass the Oklahoma State Board of Cosmetology and Barbering

CAREER COACHING

The school coaches the students individually as often as necessary, coaching takes place in monitoring student progress as scheduled for the period of enrollment. Salon owners and stylists are invited to the school regularly to give demonstrations and discuss career goals with the students. This activity supplements the daily coaching carried out by the instructors and staff.

CAREER OPPORTUNITIES

Cosmetologists and barbers may earn income through different career choices. Occupations include: Hair Stylist, Color Technician,, Manicurist, Cosmetology/Barber School Supervisor, Platform Artist, State Board Examiner, Salon Manager, Salon Owner, Wig Stylist, or Beauty Counselor to name a few. In addition to the above stated factors, earnings levels can depend on location, tipping habits, competition, self employment, the company one chooses to work for the position held.

EARNINGS AND OCCUPATIONS

As with any career, the amount of earnings one can obtain in the beauty & health industry is directly related to the amount of effort one applies to their career. Minimum efforts can result in minimum wage rates, while maximum efforts can lead to much higher levels of compensation. For this reason, Wade Gordon Hairdressing Academy, its staff and associates do not provide specific dollar earnings information. One's ability to earn income in the beauty industry is very dependent upon one's ability to communicate, present oneself professionally, develop great people skills and maintain a positive attitude. The Wade Gordon Hairdressing Academy curriculum is designed to teach students these skills, but the effort students put forth is up to them.

APPLIED EFFORT

Every student enrolled at Wade Gordon Hairdressing Academy must be in APPLIED EFFORT while attending school. This policy is designed to better prepare the student for actual working conditions once they graduate. This means the student must always be working on a daily

assigned activity pursuant to the school policy. If a student refuses to or is not physically capable of being in Applied Effort, the student may NOT attend classes. While attending school, the student will be doing so in an atmosphere similar to the industry they are training to work in. Although the enrollee is a student and not an employee, the student will be trained by performing work in a salon simulated school environment designed to teach industry skills while providing industry knowledge and educational credit. Accordingly, many of Wade Gordon Hairdressing Academy's policies are structured to provide this same salon simulated atmosphere. For instance, students in training at Wade Gordon Hairdressing Academy are expected to attend their scheduled classes timely and consistently without excessive tardiness or absences, as this is the same attendance behavior which all employers expect from employees in the cosmetology and barber service industry.

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at Wade Gordon Hairdressing Academy. This includes Title IV recipients and non Title IV recipients. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Wade Gordon Hairdressing Academy's minimum satisfactory progress standards for official determination are:

- 70% cumulative theory/practical academic average (qualitative measure).
- 67% cumulative rate of attendance (quantitative measure) that will allow the student to complete his or her program within the maximum time frame allowed.

- GRADING POLICY

Students are assigned theory study and a minimum number of practical experiences. Theory is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion ONLY when rated as satisfactory or better. Practical skills are evaluated according to text procedures and performance standards established by the state licensing agency and set forth in the practical skills evaluation criteria. Students must maintain a theory grade of 70% and pass a FINAL written and practical exam prior to graduation. Numerical grades are considered according to the following scale:

THEORY/PRACTICAL:

100%-90%	Exemplary Performance
89%-80%	Excellent Mastery of Course Content

79%-75%	Good Mastery of Course Content
74%-70%	Satisfactory
69% & Below	Unsatisfactory

- MAXIMUM TIME FRAME DETERMINATION

Wade Gordon Hairdressing Academy requires a student to progress through the program toward graduation within an established time frame. Based upon the school's requirement for 67% attendance, the maximum time frame during which students are to complete any course is 150% of the NACCAS approved and published course length based on 100% attendance measured in clock hours completed. This quantitative measure of progress will be reviewed during each official evaluation period. If it is determined that a student is unable to complete the program within the maximum established time frame, the student will be deemed to be in unsatisfactory progress and, therefore, ineligible for financial aid (if applicable) and will be terminated from the program. Students who exceed the maximum time frame shall be terminated from the program and if the student is permitted to re-enroll in the program the student will be on a cash-pay basis. The 150% maximum time frame for satisfactory academic progress discussed in this section does not apply to VA students. The time frame for VA students to complete a program will not exceed the VA approved hours for that program. VA will not pay beyond the approved program length.

Example:

- The minimum time frame to complete the Cosmetology and Barber Program is 1500 clock hours (actual)
- The maximum time frame to complete the Cosmetology and Barber Program is 2250 clock hours (scheduled)

Any student who falls below 67% attendance is advised that he or she is in jeopardy of not completing within a maximum time frame. A student in this situation must increase his or her cumulative attendance average immediately. Failure to increase the attendance rate by the official evaluation period will result in termination from the program. Leave of Absence impact on maximum time frame: If a student takes an approved leave of absence, his or her expected graduation (contract period) date will be adjusted for the number of actual days taken on leave. *Transfer students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

**Student progress will be monitored at the beginning of every month by receiving a student progress report, fully executed with both student and school official signature; as well as a satisfactory academic progress evaluation checked at the hour increments listed above.

- ACTIONS REQUIRED TO REESTABLISH ELIGIBILITY AFTER FAILING SAP
 - A successful appeal, or
 - Making SAP at the end of the subsequent payment period after losing aid eligibility
- DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their satisfactory academic progress determination at the time of each of the evaluations. Students deemed not maintaining satisfactory academic progress may have their Title IV funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

- WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds. During this warning period, which only lasts one payment period, students are not eligible to appeal. Students who fail to make SAP after the financial aid warning period lose their aid eligibility unless they successfully appeal and are placed on financial aid probation.

- APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days, it is at the school's discretion to determine if the student is eligible to appeal on a case by case decision. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstances. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

- PROBATION

The status of probation for students will only be allowed for students who are not considered meeting minimum standards for satisfactory academic progress if:

- A. The institution evaluates the student's progress and determines that the student did not make satisfactory academic progress during the warning or previous evaluation period; and
- B. The student prevails upon appeal of a negative progress determination prior to being placed on probation; and
- C. The institution determines that satisfactory academic progress standards can be met by the end of the subsequent evaluation period; or
- D. The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum time frame established for the individual student.

- RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may reestablish satisfactory progress, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

- LOSS OF AID ELIGIBILITY

Students who fail to make SAP, or meet the established conditions of an academic plan, at the end of the probation period lose their aid eligibility.

- SAP ISSUES RELATED TO EXTERNAL TRANSFERS

All transfer students are required to maintain satisfactory academic progress in order to successfully move toward graduation (see maximum time frame). Such maximum time frame shall be based on 150% of the transfer student's contracted hours and clock hours that were transferred. With regard to satisfactory academic progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

- ATTENDANCE POLICY

- Students must maintain attendance at an average of 67% of the scheduled attendance.
- If a student fails to meet the 67% attendance rate at an official evaluation point, the student would be placed on warning until the next scheduled evaluation. If a student fails to meet the 67% attendance rate at the next official evaluation point, the student is not making satisfactory progress. The student may be placed on probation, if the student prevails upon appeal AND if one of the following occurs:
 - The institution determines that SAP standards can be met by the next evaluation point, or
 - The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's SAP requirements by a specific point within the maximum time frame.
- If the student is absent for fourteen (14) consecutive days, the school will automatically withdraw him/her.
- Notifying the school when you will be absent or late shows consideration for your school, your clients, and your fellow students.
- Absences must be reported by phone within thirty (30) minutes before the scheduled start time.
- Students arriving later than 9:00 am will not be allowed to clock in.
- The school director and/or instructors and/or other staff will review excessive absences or tardiness with the student to determine possible corrective action to the issue at hand.
- Student hours and operations once properly earned will not be taken away from the student records based on disciplinary actions by the school.

**Credit is given for all time clocked and the school does not add or take away hours for any reason.

- ATTENDANCE STATUS

Full-Time students are required to attend a minimum of 22.5 clock hours per week.

- INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a leave of absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

- NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

GRADUATION REQUIREMENTS

Students in all programs must complete all subjects outlined in their designated program with no grades under 70% in any subject. Students who fail to make the necessary grade will be given the opportunity to retake the subject. All students are required to pass the school's final

examination with a grade of not less than 70% on both the practical and written exam prior to graduation. Upon successful completion of the program and payments in full of all tuition and fees (unless other arrangements have been made), you will receive a certificate of completion and be eligible to sit for the state licensing exam.

In accordance with FERPA, students at Wade Gordon Hairdressing Academy have the following rights:

- The right to inspect and review education records covered by FERPA.
- The right to challenge (seek correction of) the contents of these records.
- The right to a formal hearing, if necessary, for a fair consideration of such a challenge.
- The right to place an explanatory note in the record in the event that a challenge of contents is unsuccessful.
- The right to control, with certain exceptions, the disclosure of the contents of the records.
- The right to be informed of the existence and availability of the institutional policy covering FERPA rights.
- The right to report violations of FERPA legislation to the academy director and/or the U.S. Department of Education concerning alleged failures of the academy to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC, 20202-4605.

Students may waive any of their FERPA rights, including the release of their education records, by providing written consent. Such consent must be signed and dated by the student and specify the exact purpose of the waiver or release. Students may update their FERPA at any time by contacting a school employee.

- PARENT RIGHTS UNDER FERPA

At the postsecondary level, parents have no inherent right to access or inspect their son's or daughter's educational records, including final grades, grades on exams, and other information about academic progress. This information is protected under FERPA and parents do not have access to it unless the student has provided written authorization, or unless the student is a dependent as defined in Section 152 of the Internal Revenue Code of 1954. Students can give written permission of access to their educational record by completing the Privacy Release Authorization Form and remitting it to the school director. In emergency or crisis situations, the school may release non-directory information if the institution determines that the information is necessary to protect the health or safety of the student or other individuals.

DISCLOSURE AND RETENTION OF EDUCATION RECORDS

Adult students and parents of dependent minor students have the right to inspect, review, and challenge information contained in their education records or those of their dependent minor. However, a staff member must be present during the process to provide clarification and/or answers to related questions raised during the review of the student's file. Education records are defined as files, materials, and documents, which contain information directly related to the student and are maintained by the institution. Wade Gordon Hairdressing Academy will retain records for 6 (six) years from the last date of attendance. After this period, all records are destroyed. Written consent is

CONSTITUTION DAY

The school celebrates Constitution Day on or near September 17 of each year as required www.constitutionday.com

LEAVE OF ABSENCE POLICY

It is a requirement that the student follow Wade Gordon Hairdressing Academy's policy on requesting a leave of absence. A request for a leave of absence must be submitted in writing, including the reason for the students request, approved reasons are medical and/or death in the family and include the students signature prior to the absences taken, unless unforeseen circumstances prevent the student from doing so. An institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the institution documents the reason for its decision, collects the request from the student at a later date and establishes the start date of the approved LOA to be the first date the student was unable to attend. In this example, *the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend the institution because of the accident.* A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. The institution may not assess the student any additional institutional charges as a result of the LOA. Wade Gordon Hairdressing Academy adheres to all federal regulations with respect to leave of absence together with any additional leave of absences must not exceed a total of 180 days in any 12 month period. Students' request for an LOA will not be granted if, combined with any other LOAs previously granted, exceed a total of 180 calendar days in any 12 month period. A leave of absence request form/enrollment agreement addendum includes the start and end date of the LOA and Wade Gordon Hairdressing Academy expects the student to return on that end date. If the student takes an unapproved LOA or fails to return from a leave of absence, the student is considered to have withdrawn from school as of the last date of attendance, the withdrawal date for the purpose of calculating a refund is also always the student's last day of attendance. A leave of absence will extend the student's contract period and maximum time frame by the same number of calendar days taken in the leave of absence. An addendum to the enrollment agreement with the students' new contracted graduation date will be completed and signed by both student and school officials.

**Students receiving veterans' educational benefits will be reported to the Department of Veteran Affairs as terminated effective the first day of absence when going on a leave of absence. They may be re-enrolled for educational benefits upon return to class.

MAKE UP POLICY

It is the policy of this school to allow students to make up work missed due to absenteeism when time allows. If the student has returned from a leave of absence, the student will have a sufficient amount of time to make up any tests missed during that time. Because our curriculum is a revolving curriculum, the student will be able to participate in theory for the chapters missed. It is the academy's policy that the student can only make up 3 tests per day. Once the student reaches "senior" status, the student will be able to make up any tests as needed.

FEDERAL RETURN OF TITLE IV FUNDS POLICY

The school participates in the Title IV federal financial aid programs (Title IV). The Return of Title IV (R2T4) policy and formula are used by the school to determine the amount of Title IV funds that must be returned if the student withdraws from the school. The R2T4 formula is applicable when the student withdraws at any point during a payment period.

The requirements for returning Title IV funds under the R2T4 formula is different from a school's institutional refund policy. The R2T4 formula determines the amount of unearned Title IV funds that must be returned when a student withdraws. In contrast, the refund policy determines how much tuition a student owes after a student withdraws.

It is possible that the R2T4 policy might result in a return of Title IV funds that previously paid for tuition and other charges at the school. In turn, the institutional refund policy might result in a student owing funds to the school to cover unpaid institutional charges even though the student withdrew from the school without completing the program.

- RETURNING FUNDS

Notwithstanding any State law (such as a law that allows funds to escheat to the State), an institution must return to the Secretary any title IV, HEA program funds, except FWS program funds, that it attempts to disburse directly to a student or parent that are not received by the student or parent. For FWS program funds, the institution is required to return only the Federal portion of the payroll disbursement.

(1) If an EFT to a student's or parent's financial account is rejected, or a check to a student or parent is returned, the institution may make additional attempts to disburse the funds, provided that those attempts are made not later than 45 days after the EFT was rejected or the check returned. In cases where the institution does not make another attempt, the funds must be returned to the Secretary before the end of this 45-day period.

(2) If a check sent to a student or parent is not returned to the institution but is not cashed, the institution must return the funds to the Secretary no later than 240 days after the date it issued the check.

- ORDER OF RETURNING FUNDS

When returning aid due to return to Title IV this is the order as followed:

1. Unsubsidized Direct Loans
2. Subsidized Direct Loans
3. Direct PLUS Loans
4. Federal Pell Grants
5. Iraq and Afghanistan Service Grants

- TREATMENT OF TITLE IV AID WHEN A STUDENT WITHDRAWS

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are Federal Pell Grants, Iraq and Afghanistan Service Grants, TEACH Grants, Federal Supplemental Educational Opportunity Grants (FSEOGs), Direct Loans, and Direct PLUS Loans.

Though your aid is posted to your account at the start of each period, you earn the funds as you complete the period. If you withdraw during your payment period or period of enrollment (your school can define these terms for you and tell you which one applies to you), the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds in the form of a post-withdrawal disbursement. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

You will not be subject to returns of your Title IV program assistance if you meet one of the following exemptions:

- You complete all of the requirements for graduation;
- You successfully complete a class or multiple classes that comprise at least 49 percent of the days in the term; or
- You successfully complete a class or multiple classes that comprise at least half-time enrollment.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, your school must get your permission before it can disperse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the post-withdrawal grant disbursement for all other institutional charges. If you do not give your permissions, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct Loan funds that you would have received had you remained enrolled past the 30th day.

If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess funds equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The school must return this amount even if it didn't keep this amount of your Title IV program funds.

If your school is not required to return all of the excess funds, you may be required to return the remaining amount.

For any loan funds that you must return, you (or your parent for a Direct PLUS LOan) will repay the loan funds in accordance with the terms of the promissory note. That is, you will not be required to repay any loan funds immediately, but instead, you will make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with your school or the Department of Education to return the unearned grants funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return. If you don't already know your school's refund policy, you should ask your school for a copy. Your school can also provide you with the requirements and procedures for officially withdrawing from school.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at <https://studentaid.gov>.

- **INSTITUTIONAL CHARGES**

Institutional charges are used to determine the portion of unearned Title IV aid that the school is responsible for returning. School's must ensure that all appropriate fees, as well as applicable charges for books, supplies, materials, and equipment, are included in the R2T4 calculation. Institutional charges do not affect the amount of Title IV aid earned by a student who withdraws.

The institutional charges used in the calculation usually are the charges that were initially assessed the student for the entire payment period or period of enrollment as applicable. Initial charges may only be adjusted by those changes the institution made prior to the student withdrawal (for example, for a change in enrollment status unrelated to the withdrawal). If, at the time of the withdrawal or afterward, the school changes the amount of institutional charges it is assessing a student or decides to eliminate all institutional charges, those changes do not affect the charges nor aid earned in the calculation.

The R2T4 regulations presume that Title IV program funds are used to pay institutional charges ahead of all other sources of aid. Institutional charges may not be reduced even if other sources of aid are used to pay those charges. For example, a school may not reduce institutional charges when an outside agency supplying aid requires that aid to be used only for tuition.

- **APPLICABLE DEADLINES**

The school is required to perform the R2T4 calculation within 30 days of the date of determination of when the student has been withdrawn and/or dropped from the program. In addition there are several important deadlines impacting most R2T4 calculations:

- 45-day time frame for the Return of Title IV Funds
- If applicable, if an R2T4 calculation results in a credit balance it must be disbursed to the student as soon as possible but no later than 14 days after the R2T4 calculation (If applicable)
- 30-day required notification of the need for authorization to make a post withdrawal disbursement of Direct Loan funds.
- Post-withdrawal grants must be disbursed within 45 days,
- Post-withdrawal loans must be offered to the student within 30 days, allowing the student at least 14 days to respond.

Any action taken after a deadline, even a correction, is a violation of that deadline requirement. So, when an institution corrects an R2T4 calculation and, as a result, returns funds after the 45-day deadline, it is a late return. Likewise, if a school makes a correction and fails to notify a student or parent that they are eligible for a post-withdrawal disbursement within 30 days of the date of the institution's determination that the student withdrew, the school has violated that deadline.

FINANCIAL ASSISTANCE DISCLOSURES

Financial Assistance is available to those who qualify through the Financial Aid Office. All students have the following rights and responsibilities: The student has the right to ask the school: (1) The name of its accrediting and their licensing organizations; (2) About its programs; its instructional, laboratory, their physical facilities, and their faculty; (3) What the cost of attending is, and the policies concerning refunds and Return to Title IV (R2T4) to students who drop out; (4) What financial assistance is available including information on all federal, state, local, private and institutional financial aid programs; (5) What the procedures and deadlines are for submitting an application for each available financial aid program; (6) How it determines a student's eligibility and need for financial aid; (7) How much of your financial need, as determined by the school, has been met; (8) To explain each type and amount of assistance in your financial aid package; (9) What the interest rate is on any student loan you have, the total amount you must repay, when a student must start repaying; (10) Deferment of repayment or forbearance for certain defined periods, if you qualify and if you request deferment or forbearance; (11) To provide written information on student's loan obligations and information on your rights and responsibilities as a borrower; (12) To reconsider your aid package, if you believe a mistake has been made, or if your enrollment or financial circumstances have changed; (13) How the school determines when and whether you are making satisfactory progress (SAP) and what happens if you fail to maintain SAP. How failing to maintain SAP affect your title IV eligibility; (14) What special facilities and services are available to students with disabilities and how to request a reasonable accommodation.

It is the student's responsibility to: (1) Review and consider all the information about the school program before enrolling; (2) Pay special attention to the application process for Federal student financial aid, complete it accurately and submit it on time to the right place. Errors on the FAFSA can delay or prevent your receiving aid timely; (3) Know and comply with all deadlines for applying and reapplying for aid; (4) Provide all enrollment and verification documentations, corrections, and/or new information requested by either the financial aid officer or the agency to which you submitted the application; (5) Notify the school of any information that has changed since you applied; (6) Read, understand, and keep copies of all forms you were asked to sign; (7) Ensuring you are aware that you must start making monthly repayment on your student loan after your grace period ends, unless you have a deferment or forbearance. If you have student loans, you must notify your lender of these changes; (10) Understand your school's refund policy; (11) Understand and comply with the enrollment status, financial charges, financial terms, time allowed to complete, refund policy and termination procedures as specified in the enrollment agreement sign; (12) Understand that you may be responsible and have liability for portions of Title IV funds return by the institution on your behalf; (13) Understand that there could be liabilities when errors are made as a result of inconsistent information provided by the student result in funds being awarded that a student was not eligible for are advanced to you or credited to your school account.

A current year FAFSA (Free Application for Federal Student Aid) is required to be completed prior to a determination of eligibility for all Title IV funds. The deadline to submit an online application for federal student aid is midnight Central Time on June 30th of the end of the Academic Year. Directions to complete this application, an MPN (Master Promissory Note), and Entrance Counseling are located on the "Directions to Apply for Federal Student Aid", the US Department of Education's annual publication of "Funding Education Beyond High School: The Guide to Federal Student Aid" and Direct Loan Basics for Students" available in the Financial Aid Office; or: FAFSA Information Center can be contact by calling (1-800-433-3243) or visiting www.studentaid.ed.gov. Students who apply for and complete the steps necessary to participate in Federal Student Aid (Title IV) programs will receive an estimated Award Letter. The estimated Award Letter serves as notification of students' proposed aid package, including types of aid and disbursement information. The estimated Award Letter is for academic year one and it may be necessary for students and/or parents to re-apply for financial aid with each subsequent academic year. Award Letters may be delivered in person or sent electronically. No action is required on the students' part to accept the award as presented. Written authorization is only required to decline an award. This authorization to decline an award must be received by Wade Gordon Hairdressing Academy within two (2) days of receipt of the initial award letter. Authorization is considered to have been received at Wade Gordon Hairdressing Academy upon receipt of email, postal service delivery, or upon personal delivery to a campus' Financial Aid Advisor. Wade Gordon Hairdressing Academy assumes acceptance of the award if no communication is received from the student or parent stating otherwise. The Federal Government selects a portion of students' FAFSAs for a process called "verification." If a student's FAFSA is selected for verification, the student must provide additional information in order for their financial aid eligibility to be determined. The specific type of documents required for submission will vary from student to student but may include items such as tax return transcripts or W-2 Wage and Tax statements. Upon selection for verification, students will be notified by email of the required additional documentation needed. For students currently attending school, all verification documentation must be submitted within 15 days of request. For incoming students, the request documentation must be received within 5 days from the date of notification (and no later than the 5th scheduled class day). Failure to submit requested documentation within designated time frames may result in loss of eligibility. Eligibility cannot be determined until the verification process has been completed. Wade Gordon Hairdressing Academy will make every effort to award financial aid to all students so please contact a Financial Aid Advisor if you are unable to meet the deadline requirements. Once all documentation and/or signatures have

been submitted, the data will be verified for accuracy, which may take up to 30 days. Should any discrepancies exist, corrections will be made to your Award Letter and students will be notified.

The school currently participates in the Pell Grant, Stafford Direct Loan and Parent PLUS Direct Loan programs. The school does not coordinate but will certify veterans, state, local government and private funding sources. Student's receiving Veterans assistance may be required to provide military and prior education transcripts. The school is required to inform all eligible borrowers about the eligibility of, and eligibility for, state grant aid. Any state grant programs that the school is aware of are disclosed in this catalog. Students are encouraged to research all state funding opportunities that may be available. Resources for this research may include FinAid.org (www.finaid.org/otheraid/state.phtml), US Department of Education (www2.ed.gov/about/contacts/state/index.html), and the National Association of Students Financial Aid Administrators (www.nasfaa.org/State_Financial_Aid_Programs).

All students who borrow a Stafford Loan while attending the school must complete Direct Loan Entrance Counseling before funds will be certified. Prior to the first disbursement of a Title IV loan, the school will provide first-time borrowers with a comprehensive information on the terms and conditions of the loan and of the borrower's responsibilities. This information will be provided via interactions with the school's Financial Aid Advisors.

Need Based Aid (Pell Grant and Stafford Subsidized Loan) Calculation: COA (Cost of Attendance) - EFC (Expected Family Contribution) = Need Eligibility

Non-Need Based Aid (Unsubsidized Stafford and Parent PLUS Loan) Calculation: COA - EFA (Expected Financial Assistance/all other aid) = Non-Need Eligibility

COA = Budget - each student receiving an Award Letter estimating Title IV Eligibility will be assigned a Budget. The COA includes the following items: Tuition & Fees, Room and Board, Transportation, Misc/Personal, Books/Supplies and Other items such as special circumstances or expenses related to disabilities.

Awards of Title IV federal assistance (if applicable) received by students will apply first to tuition owed and then to the student for education related expenses. All financial aid disbursements will be made in accordance with federal regulations and guidelines. Financial Aid will be credited towards the student's account at least twice during the academic year of 900 hours. Students desiring the institution to budget and disburse financial aid funds for the student throughout the academic year may make such requests in writing. All loans through the Direct Loan Program, if applicable, must be paid back according to the terms and conditions of the borrower's promissory note.

Private Education/Institutional Loans are not offered by the school nor does the school have preferred lender arrangements. Should a student insist on seeking a Private Educational Loan, loan certification will only be provided after a student has demonstrated need and exhausted all Federal Student Aid eligibility and A Private Education Loan Application Self-Certification must be completed.

Exit Counseling must be completed by all students who are graduating or withdrawing from school. If a student is unavailable to complete at the school a Direct Loan Exit Counseling Guide will be mailed to them for completion. Counseling may be provided in person (individually or in groups), using audiovisual materials US Department of Education Publications and/or online. Student borrowers should be advised to complete online exit counseling or come to the counseling session at the school shortly before graduating, or ceasing at least half-time 46 enrollment. As required, the school will submit students' loan information to the National Student Loan Data System (NSLDS). This information will be accessible by guarantee agencies, lenders, and schools determined to be authorized users of the data system. Please be aware that the information on the NSLDS site is updated by schools and the Department of Education and may not always have the most current information available. Visit www.nsls.ed.gov for additional information.

VOTER REGISTRATION

Students are encouraged to register and vote in state and federal elections. Voter registration and election date information for the state of Oklahoma can be found at: www.oklahoma.gov. The Elections Division of the Secretary of State's Office is open from 8:00 a.m. until 5:00 p.m. weekdays. The Elections Division is also open during the hours that the polls are open on all uniform election dates (2nd Saturday in May and 1st Tuesday after the 1st Monday in November), on the primary and primary runoff election dates (1st Tuesday in March of even-numbered years and 2nd Tuesday in April following the primary), and the dates on which special statewide and federal elections may be ordered. Answers to questions on election law and procedures may be obtained by telephoning the Elections Division toll-free at 1.800.252.VOTE (8683) or directly at 512.463.5650.

To be eligible to register to vote in Oklahoma, a person must be:

- A United States citizen;
- A resident of the Oklahoma county in which application for registration is made;
- At least 18 years old on Election Day;
- Not finally convicted of a felony, or, if so convicted must have (1) fully discharged the sentence, including any term of incarceration, parole, or supervision, or completed a period of probation ordered by any court; or (2) been pardoned or otherwise released from the resulting disability to vote; and
- Not determined by a final judgment of a court exercising probate jurisdiction to be (1) totally mentally incapacitated; or (2) partially mentally incapacitated without the right to vote.

Registering to vote is easy in Oklahoma. It doesn't even require a stamp! Official applications to register to vote are postage-paid by the State of Oklahoma. In most Oklahoma counties, the County Tax Assessor-Collector is also the County Voter Registrar. In some counties, the County Clerk or County Elections Administrator registers voters. You may obtain an application from the school, the Secretary of State's Office, libraries, many post offices, or high schools. Or, you may download an informal application, but you will be required to affix a stamp before mailing. You may also register to vote when you apply for or renew your driver's license. The application must be received in the County Voter Registrar's office or postmarked 30 days before an election in order for you to be eligible to vote in that election. You will receive a voter registration certificate in the mail after the County Voter Registrar has processed your voter registration application. Upon receipt of the voter registration certificate, sign it, fold it and keep it in your wallet and take it to the polls with you when you vote. All voters who registered to vote in Oklahoma must provide an Oklahoma driver's license number or personal identification number issued by the Oklahoma Department of Public Safety or the last four digits of your social security number. If you have not been issued any of these numbers, then you must state that fact on the application by checking the designated box. A voter who has not been issued a driver's license or social security number may register to vote, but such voter must submit proof of identification when presenting himself/herself for voting or with his/her mail-in ballots, if voting by mail. These voters' names are flagged on the official voter registration list with the annotation of "ID." The "ID" notation instructs the poll worker to request a proper form of identification from these voters when they present themselves for voting.

Acceptable identification includes:

- a driver's license or personal identification card issued to the person by the Department of Public Safety or a similar document issued to the person by an agency of another state, regardless of whether the license or card has expired;
- a form of identification containing the person's photograph that establishes the person's identity;
- a birth certificate or other document confirming birth that is admissible in a court of law and establishes the person's identity;
- United States citizenship papers issued to the person;
- a United States passport issued to the person;

- official mail addressed to the person by name from a governmental entity;
- a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter; or
- any other form of identification prescribed by the Secretary of State.

- VOTER REGISTRATION CERTIFICATE

- Once you apply, a voter registration certificate (proof of registration) will be mailed to you within 30 days.
- Check your certificate to be sure all information is correct. (If there is a mistake, make corrections and return it to the voter registrar immediately.)
- When you go to the polls to vote, present your certificate as proof of registration.
- You may vote without your certificate by signing an affidavit at the polling place and showing some other form of identification (for example, driver's license, birth certificate, copy of electric bill).
- If you lose your certificate, notify your County Voter Registrar in writing to receive a new one.
- You will automatically receive a new certificate every two years, if you haven't moved from the address at which you are registered. If you move within the same county simply go to the Secretary of State's website and change your address online or promptly notify the County Voter Registrar, in writing, of your new address by:
 - correcting your current voter registration certificate on the back and returning it to the County Voter Registrar;
 - filling out a new voter registration application form and checking the "change" box; or
 - making simultaneous changes to your driver's license and voter registration when you apply for or update your driver's license.

You will receive a new certificate with your new address. You will be able to vote in your new precinct 30 days after your change of address is submitted. If you miss the deadline (30 days before an election), you may vote in your former precinct as long as you still reside in the political subdivision conducting the election. Your residence is located in a specific "precinct," which is an area within the county. There are many precincts within a county. The place where you will vote on Election Day is located in your precinct. There may be combined precincts in order to accommodate joint local elections; therefore, in some elections you may vote outside your designated precinct. The County Clerk or County Elections Administrator can give you the specific location of your polling place, or you can check online to see if the County Clerk or Elections Administrator has that information posted. The Secretary of State's Office may also provide polling place information at the "Where do I vote" link on its web page prior to the primary, primary runoff and November uniform election date elections. If you move to another county you must re-register! Fill out a new application and mail it, or take it in person, to the Voter Registrar of your new county. You may not register online if you move from one country to another. You will be registered 30 days after your application is submitted. You will receive a new certificate. After changing residence to another county, a person may be eligible to vote a "limited" ballot in his/her new county of residence on candidates or issues common to the old and new counties. A "limited" ballot may be voted only during early voting by personal appearance or by mail (not on Election Day) if:

- the person would have been eligible to vote in the county of former residence on Election Day if still residing in that county;
- the person is registered to vote in the county of former residence at the time the person offers to vote in the county of new residence;and
- a voter registration for the person in the county of new residence is not effective on or before Election Day.

Promptly notify the County Voter Registrar, in writing, of the name change using the same steps as for IF YOU MOVE WITHIN THE COUNTY. You will receive a new certificate 30 days after your name change notice is submitted. You may continue to vote during this period. If you do not have your certificate in hand, you may sign an affidavit at the polls and present a form of identification.

- The purpose and character of the use, including whether such use is of a commercial nature or is for nonprofit educational purposes;
- The nature of the copyrighted work; the amount and substantiality of the portion used in relation to the copyrighted work as a whole; and
- The effect of the use upon the potential market for or value of the copyrighted work. The School encourages staff and students to be diligent in the application of the fair use criteria. Through diligent application, school constituents and the School avail themselves of protection from infringement by establishing "reasonable grounds for believing that his or her use of the copyrighted work was a fair use" according to Sections 107 and 504c of United States Code title 17.

CIVIL & CRIMINAL PENALTIES FOR VIOLATION OF FEDERAL COPYRIGHT LAWS

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorney's fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.
